

FLORIDA FORENSIC LEAGUE, INC.
STATE CHAMPIONSHIP TOURNAMENT
APRIL 22nd & 23rd

March 9, 2023

Dear FFL Coaches,

On behalf of the Board of Directors, I am pleased to provide the following information regarding the **2023 NOVICE STATE TOURNAMENT & MIDDLE SCHOOL STATE TOURNAMENT**, to be held on **SAT., APRIL 22nd & SUN. APRIL 23rd** on the campus of **WESTERN HS** in Davie, Florida. Our host, Dario Camara is carefully planning a wonderful experience for your novice and middle school students.

Please remember that the Novice State Tournament & Middle School State Tournament is only open to those member schools that actually competed with at least one student in a Regional Qualifying tournament (this does not apply to middle schools). Schools that do not meet the above requirement will be unable to register for the tournament. Registration will take place via www.speechwire.com

Please read the information in this invitation carefully. You must adhere to **ALL** deadlines—failure to do so will result in the penalties listed. We are committed to running an efficient and on-time event, but we will only be successful if all member schools follow the published requirements.

Good luck to your novices on their preparations for the tournament. I look forward to seeing you in April!

Yours very truly,

Carol Lynne Cecil
President, Florida Forensic League, Inc.

INFORMATION FROM FLORIDA FORENSIC LEAGUE, INC.

SCHOOL ELIGIBILITY

In order to register for this tournament, a school must:

1. Hold membership in the Florida Forensic League for the 2022-2023 school year, **AND**
2. Attend and compete at least one (1) student at the regional qualifying tournament in the region to which the school was assigned.

Any school that registers for Novice State without meeting the above requirements will be notified that its students are ineligible to compete.

MIDDLE SCHOOL TOURNAMENT ELIGIBILITY

1. Any student in grades 6th – 8th is eligible and may continue to compete at this tournament until they reach high school. Schools must be member schools as previously mentioned.
2. If you are a middle school that did not initially join FFL, you may do so and we will add registration fees to your tournament fees – School Registration/Membership Fees will be \$35.

Please complete this Google Form In Order To Register Your Middle School For FFL Membership. There are further steps so please read the steps on the form carefully. There is a file that must be downloaded, signed and returned to Carol Cecil via Email - <https://forms.gle/NvRELqVGyoVasurY6>

Any school that registers for the Middle School Tournament without meeting the above requirements will be notified that its students are ineligible to compete.

NOVICE ELIGIBILITY

From the *Standing Rules* of the Florida Forensic League:

RULE 8: ELIGIBILITY FOR NOVICE STATE COMPETITORS

PLEASE READ CAREFULLY – THESE REQUIREMENTS HAVE CHANGED!!!!

In order to compete at the Novice State Tournament, students must meet **all** of the following requirements:

1. The student must not have competed at any previous Novice State Tournament.
2. This is the first year of competition as a high school student (grades 9 through 12). If the student has competed in a total of two or fewer tournaments in previous high school years, that student would/shall still be considered a Novice competitor.
3. Middle School students will no longer compete at Novice State, but we are offering a Middle School State Tournament so they can sign up for that tournament – which is running in conjunction with the 2023 Novice State Tournament.
4. Please note that a student's novice eligibility is not affected by his/her performance in the 2023 Regional Qualifying and State Championship tournaments. In theory, a novice could compete at regionals, qualify to the State Championship Tournament, win a State Championship, and still compete at Novice State!
